

ARTICLE V. RULEMAKING

Section 5.01. Airport Rules and Regulations.

The Airport Board is authorized to establish and/or amend such Airport Rules and Regulations and Airport Minimum Operating Standards and Airport Rates and Charges as are necessary or useful to carry out or supplement the provisions of this Code and provide for the orderly and safe operation of the Airport. Notwithstanding any other provision in this Code, after initial approval of this Code by the Owners, provisions of or amendments to this Code shall be subject to review on request by the Owners, but shall be considered to be in effect after approval by the Board until and unless they are disapproved by the Owners.

Section 5.02. Limitation on Airport Rules and Regulations by Airport Manager.

- (a) Except in an emergency, no Airport Rule and Regulation or Airport Minimum Operating Standard established by the Airport Board shall be effective until ten (10) calendar days after it is approved.. Any regulation established by the Airport Board shall be posted in the Terminal, if any, and FBO lobby or other area of the FBO open to the public during normal business hours for a period of not less than 72 hours prior to review by the Airport Board.
- (b) All leaseholders shall be notified by mail of any revisions and/or new Airport Rules and Regulations.
- (c) Creation or modification of any Airport Rates and Charges shall not be effective until approved by the Airport Board.

Section 5.03. Emergency Rules and Regulations.

Notwithstanding Section 5.02(c), the Airport Manager has authority to impose emergency regulations for the period of time that the emergency exists. Notice of such Emergency Rule or Regulation shall be posted at the Terminal, if any, and FBO. Each emergency rule or regulation shall be reviewed and acted on as a proposed permanent rule or regulation at the next Airport Board meeting.
